Dear Mr. Frederick:

The Harris County Comprehensive Plan Community Agenda was adopted December 1, 2009 by the Harris County Board of Commissioners (BOC). The Harris BOC made a few changes to the Community Agenda prior to its adoption. Specifically the BOC took out the example conservation design subdivision located in the Example Design Appendix. Also, the Harris BOC modified the final list of Issues and Opportunities by revising issues that the Board of Commissioners found to be non-applicable. The changes that were made do not negatively impact the Community Agenda or impact neighboring jurisdictions or inter-jurisdictional activities.

Please find below a summary of changes made to the Issues and Opportunities list.

**Population** – Issues: delete last item

**Economic Development** – Issues: change “secondary” to “post-secondary” in third item

**Housing** – Issues: delete second item

**Natural & Cultural Resources** – Issues: delete last sentence in fourth item and delete last four items

**Intergovernmental** – Issues: delete second and third items

**Transportation** – Issues – delete last three items

**Land Use** – Issues: delete third, fourth, and seventh items

If you have any questions or comments, please let me know. Thank you for your participation in the Comprehensive Planning Process for the Harris County Government.

Sincerely,

Rick Morris  
Planning Director
