Local Discretionary (25%)

Local discretionary funds can be used for transportation projects or as local match to state or federal funds

- OCGA 48-8-242 (10): "Project" means, without limitation, any new or existing airports, bike lanes, bridges, bus and rail mass transit systems, freight and passenger rail, pedestrian facilities, ports, roads, terminals, and all activities and structures useful and incident to providing, operating, and maintaining the same. The term shall also include direct appropriations to a local government for the purpose of serving as a local match for state or federal funding.
